

**GRAY WATER DISTRICT  
TRUSTEES' MEETING  
October 17<sup>th</sup>, 2016**

Present: Bruce Sawyer, Steve Dunn, Mike Lessard and Superintendent Jim Foster. Bruce called the meeting to order at 7:00 pm.

**Reuse of old Gray Post Office building:**

There is nothing new to report. We are still waiting to hear back from Dan Liberty.

**Superintendents Report:**

- a. September bacteria tests were absent for E-coli and total coliform.
- b. AGM: 260
- c. We are continuing to chlorinate for the next week or so. If we decide to do chlorinating in the future we will put that information on our website so that the customers are informed ahead of time.
- d. We will be asking Wayne Wood to take a look at Landers Drive to help us determine who owns the road.

**Trustee Reports:**

Steve reported that he has spoken to Jason Wilson regarding the impact fee ordinance. Jason expressed that he didn't feel that we were not considered in the drafting of this ordinance just because we were not specifically mentioned. We would be included in the term "underground utilities". The also talked about a sprinkler ordinance, Jason didn't think that idea would go very far with the council.

**Additions to the Agenda:**

Work at the Route 26/North Raymond Rd intersection is going forward and scheduled for next year. There is water main there that should be upgraded at the same time. We will contact Gorrill-Palmer to put together a plan.

**Irrigation Projects:**

Trustees and Jim discussed the irrigation needs of the high school/middle school and whether or not we have the ability to supply them with the amount of water they want for the fields. It was decided that we will discuss different options, like a holding tank or watering only at certain times, with them over the winter.

**Purchase of Land on Weymouth Rd:**

Trustees discussed getting Sevee & Maher Engineers (SME) involved so that they can advise as to whether or not we should look into this further.

**GWD Truck Replacement:**

There is nothing new to report. Jim is to research lift gates and cranes.

November meeting was scheduled for Nov 21, 2016.

**Steve made a motion to adjourn at 7:58 pm. Mike seconded, vote was unanimous.**

Respectfully submitted,

Sudiek Lester
